January 5, 2018

Greetings!

The Mountlake Terrace High School Music Boosters will co-host an evening of great dining and entertainment on Saturday, March 10, 2018, at Lynnwood Convention Center, to raise funds for our high school concert band, chamber winds, and jazz bands. We are writing to ask your help in making the event a success through purchasing a sponsorship and/or donating an item for the live or silent auction.

Located in Mountlake Terrace, WA, MTHS is a wonderful and diverse public school, known for its award-winning jazz bands and concert bands. Music students work hard at their craft and support their community by playing at sports events, civic events, private gigs, and district fund raisers, and by volunteering their time and talents to teach other students via the Edmonds School District summer music camp. Money raised will help MTHS purchase sheet music and instruments, and will assist in paying for instrument repair, technology support, clinicians, festival fees, travel costs, and much more. Funding of the band program is critical so that our fabulous director, Mr. Darin Faul, can focus on what he does best: teach and direct our students.

We know that you probably receive many requests to donate from many deserving organizations—thank you for considering ours. MTHS Music Boosters is a 501(c) 3 non-profit organization and our non-profit tax ID# is 94-3086537, which means your donation is tax deductible to the extent of the law. By providing a donation, you will be joining a network of parents, local businesses and many individuals committed to helping provide excellence for our band programs at Mountlake Terrace High School.

Recognition of donors/companies will be included on bid sheets and in the auction catalog; the donor's tax receipt is a copy of the completed donation form. To make a donation, please complete the attached MTHS donation form and email or mail it by February 10<sup>th</sup>. Auction items will be displayed on March 10; please plan to mail your item or arrange for a pick-up prior to that date (see donation form for details).

If you have questions or concerns, please feel free to contact Marilyn Walker, MTHS Music Booster President, at the email address listed below. On behalf of the band students, their parents, Mr. Faul, and the greater Mountlake Terrace community, thanks again for considering a donation for our event.

Sincerely,

Marilyn Walker, President
